Get **WiLD** 2012

empowering changemakers

Knowing your inner self is at the heart of true leadership. Get WiLD invites you to take a dive deep inside.

We invite you to join us on a Nature Quest into the wild. Nature Quests are contemporary versions of the ancient tradition of going into nature alone for contemplation and renewal. This week of immersion will give you an opportunity to deepen your connection with yourself and nature. You will be able to recalibrate your inner compass - allowing you to find balance and focus in places where decisions are made.

We will gather in The Archipelago of Stockholm on the following dates:

- **May** 13th - 20th
- **August** 19th - 26th

In July we'll gather in Vålådalen Nature Reserve in the North of Sweden:

- **July** 15th - 22nd

We look forward to hosting you in 2012. Add the dates to your schedule and contact info@getwild.eu for more information.
